# Announcement

---

I am presenting this catalog of the dispersion of my herd of Scotch Short Horns, and my fourth annual sale of boars and gilts I will call your attention to the special announcement of each, and I will most cordially invite you to attend this sale, which is to be held Friday, October 4th, at the farm, 5½ miles north of Mechanicsville, Iowa, and 1½ miles south of Morley, Iowa. Mechanicsville is on the main line of the C. & N. W. and Morley is on the main line of the C., M. & St. P. This sale coming at the end of the week of the National Swine Show, will afford breeders and others interested an opportunity to attend one of the largest sales of the season with but slight additional expense, since the location of same is but twenty-five miles east of Cedar Rapids. All trains will be met at both Mechanicsville and Morley and all attending the sale will be our guests.

Very truly,

JAS. J. HERR.

Auctioneers—N. G. Kraschel, Scotty Milne, W. G. Brock.

Fieldmen—E. W. Davis, Short Horn World; C. C. Palmer, Iowa Homestead; H. M. Yoder, Wallace's Farmer; R. L. Comer and Perry Hanks, Duroc Bulletin.

Terms—Cash. Anyone desiring different arrangements will make such with the cashier O. M. Bundy, of the Mechanicsville Trust and Savings Bank.

Stock will be cared for and loaded on trains, but will be at owner's risk as soon as bid off. Crates furnished for shipping hogs.

## Announcement for Cattle

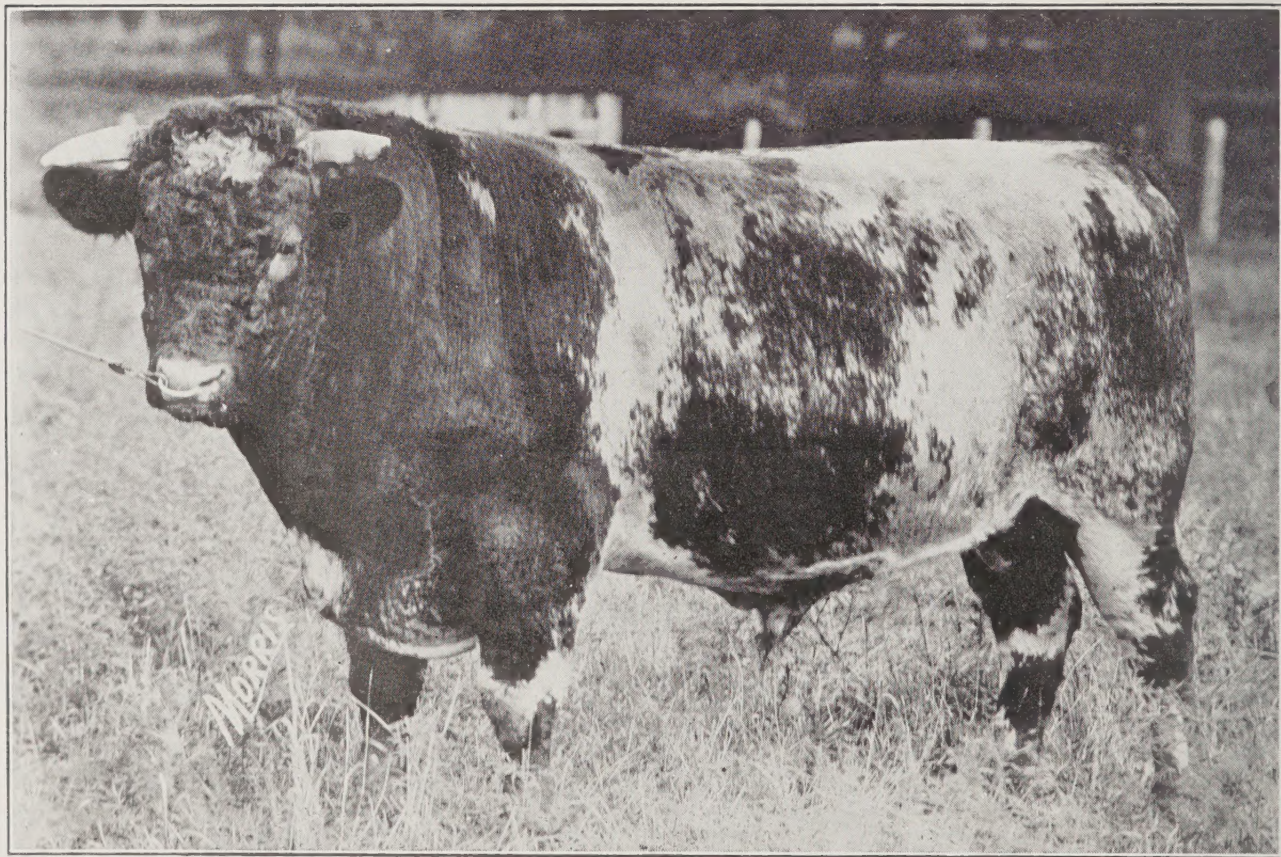

---

In the dispersion of my Short Horn herd, headed by Sultan Augustus, I am offering to the breeders and others interested, a high class of all Scotch cattle, the individual merit of which is outstanding. I respectfully call your attention to the pedigree and description of each lot.

All cows and heifers of breeding age bred to Sultan Augustus. Cows with calves at food or showing well along in calf carry their own guarantee. As is usual with a dispersion sale no further guarantee can be given, but we do not include any cow the future usefulness of which we have any doubt, or that has not proven a breeder in our hands.

Sultan Augustus is a worthy son of his illustrious sire, possessing the usual pleasing characteristics of the get of Sultan Supreme. His dam was the great cow, Imp. Augusta 83d. Sultan Augustus has been retained exclusively as the head of my Short Horn herd for the past three years. He has proven a sire of merit. All of the calves, and all but one of the bulls are by him, as is also a number of the young heifers. This great herd bull, his get, and cows bred to him are offered for your appraisal in this dispersion.

## A Group of Boars in the Sale

---

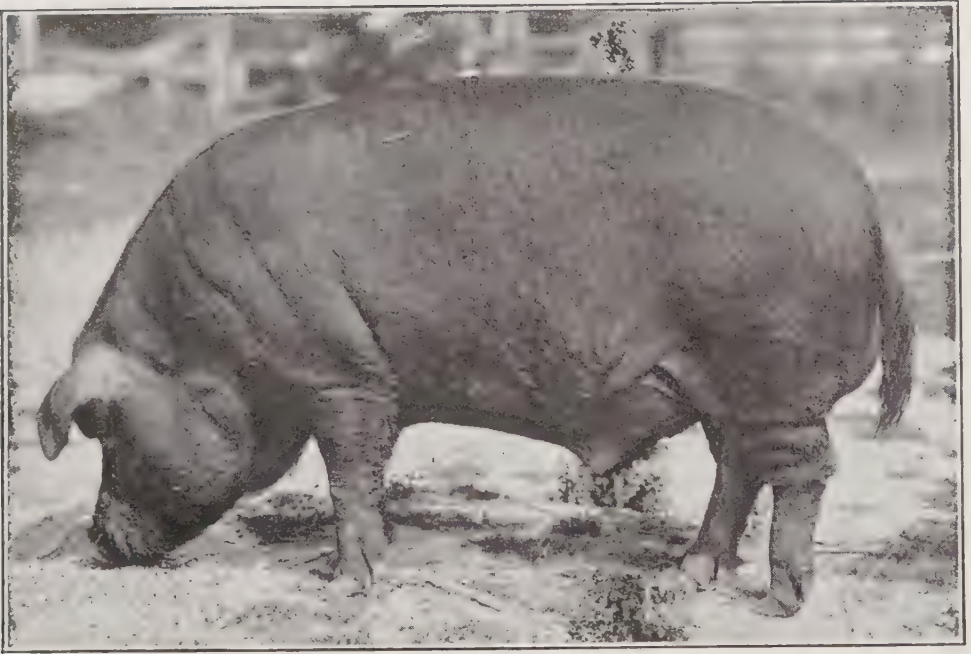

### ANNOUNCEMENT FOR HOGS

---

In announcing my fourth annual sale of boars and gilts. I first present to you Cherry King Orion, greatest and best son of King Orion Cherry. This boar, which is now at the head of my herd, is not only a big type Duroc, but he possesses that quality so very desirable yet rarely found in a boar of his size, that of being perfectly smooth. His get are typical of their sire, and they are all from big type dams. Every one of the twenty-five boars is a herd header. The gilts present the same excellent qualities as the boars. They will make creditable any herd. If you want the good ones, the big ones, here they are.

All boars and gilts guaranteed breeders. Everything immune.

In writing a foot note for this great boar I am first going to say that he is the best boar that King Orion Cherry ever sired. Now that will sound big to some of you, but I mean just what I say. I bought him of McAndrews last October when they sold the world's record sale. He did not top the sale, for he was one of the younger boars and at the time was not so large as some but I had my eye on him as soon as I got there. He was an extra and I don't think they intended to sell him, but another got hurt and they put him in, and that is how I came to get him. I called McAndrews' attention to him and asked him a few questions, and this is what he told me: "Now if you want a big boar and a smooth boar buy this fellow." And if you think he did not tell the truth, come and see him sale day. And if you will notice his pedigree you will see his dam is by Col. Gano, and Mc. says she is one of the best sows he ever owned. Now this boar, Cherry King Orion, is 74 inches long, 38 inches high, 66 inches heart girth, and 66 inches flank, and has 9½ inch bone, will weigh right at 700 pounds and isn't quite thirty months old. He is right on his feet and is gentle as a lamb and is going to weigh 1000 pounds next year. He is siring the kind that you are all looking for; the kind with plenty of stretch and lots of bone, and you can't beat them for color. Now if you want a real herd boar or a few gilts that will do credit to any herd be on hand sale day.
